

FEATURES:

- Mini DisplayPort Male – DVI Male
- Individually Bagged
- White PVC Cable
- Fully Moulded
- Available in 3 different lengths
- 24+1 Pin

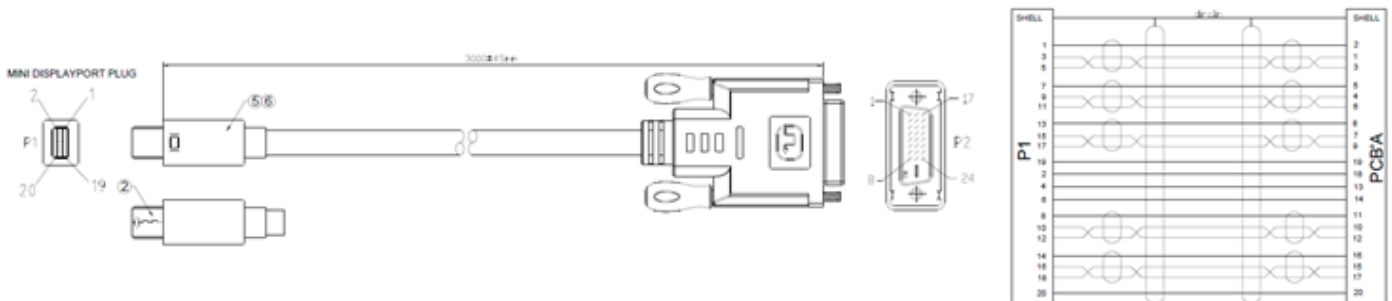

DESCRIPTION:

The current trend of making electronic devices thinner now means that many of the connectivity options you are used to seeing are no longer available. Mini DisplayPort has been incorporated into several new devices with a slimmer chassis. Simply attach this cable to the Mini DisplayPort connector on the device and you will then be able to output a video signal to a screen with a DVI-D input.

SPECIFICATIONS:

Connector – Mini DisplayPort Male with Gold Plated Shell and Pin with Black Insulation
 Connector – DVI-D Male with PCB Board, Gold Plated Shell and Pin with Black Insulation
 Jacket – White PVC, OD:5.5±0.2mm
