

### FEATURES:

- HDMI Male – HDMI Female Extension + Ethernet
- Black PVC Cable
- Fully Moulded
- Available in 5 different lengths

### DESCRIPTION:

High Speed HDMI with Ethernet Extension leads are perfect for extending HDMI cables. These UltraHD (4K) cables features a full copper shield to reduce electro-magnetic interference. HDMI leads provide both High Definition video and multi-channel audio connection between digital High Definition displays, digital AV sources and HDMI switch devices. This cable type offers the same basic performance as Standard HDMI Cable, it also benefits from having a dedicated data channel, known as the HDMI Ethernet Channel, for device networking. The HDMI Ethernet Channel functionality is only available if both linked devices are HDMI Ethernet Channel (HEC) devices.

### SPECIFICATIONS:

Supports resolution of 4Kx2K  
Supports 3D over HDMI  
Gold connectors
