FEATURES:

- USB Type A Male – USB A Female
- Individually Bagged
- Blue PVC Cable
- Fully Moulded
- Available in 2m
- USB 3.0 compatible

DESCRIPTION:

These fully moulded, high-quality USB 3.0 cables support data rates up to 5gbps, this cable is used to extend short USB 3.0 cables. With its Standard Type 'A' male and Standard Type 'A' female connector it allows equipment such as webcams, storage devices and other Type A devices to be connected at greater distances to the computer, allowing the user to position devices without the constraints of a short cable. This extension cable can be installed quickly and with minimum fuss and is perfect for both business and domestic uses. Most new computers and devices being manufactured today support USB 3.0. USB 3.0 is often referred to as SuperSpeed USB.

SPECIFICATIONS:

Connector – Nickel Plated Shell with Gold Plated Pin

Jacket – Blue PVC, OD: 5.7mm
