

FEATURES

- Officially Certified Thunderbolt 4 Docking Station
- 40Gbps Data Transfer
- Power Delivery up to 60Watt
- Dual 4K or Single 8K Video Output & Audio
- Quick and Powerful Plug & Play Solution
- 0.8m Thunderbolt4 Cable

DESCRIPTION

Officially certified product, providing the ultimate plug-and-play solution for Thunderbolt4 laptops whilst also supporting USB-C, USB 4.0, USB 3.0 and USB 2.0 accessories.

This Thunderbolt 4 docking station can connect up to three additional Thunderbolt devices directly (six in total via daisy chain) whilst providing transfer speeds upto 40Gbps.

Quickly and easily charge any Thunderbolt 4 laptop, in addition to providing full support for your USB-C, USB 4.0, USB 3.0 and USB 2.0 accessories. No need to worry about what you have connected to the dock - our solution provides the only full-powered offering on the market, so you can connect anything and be sure to receive optimal performance.

USB-C port up to Dual 4K or single 8K video output and audio, HDMI and DisplayPort output up to dual 4K displays @ 60hz at the same time, audio input and output, card reader, gigabit ethernet, all through the included 0.8m Thunderbolt 4 cable, for a quick and powerful plug-and-play experience.
