

- USB-IF Certified Cable - Assures users of optimal compatibility with a wide range of devices
- 3.2 Gen2 20Gbps Speed - Transfer large files, stream high-definition content or syncing your devices with transfer speeds of up to 20Gbps
- 100w Power Delivery (PD) - Power your laptop, tablets and other PD-enabled devices
- Braided Design - This cable features a premium braided design that enhances its durability and flexibility

Product Features

- This cable is USB-IF certified, guaranteeing compliance with industry standards for superior performance and reliability. USB-IF certification assures users of optimal compatibility with a wide range of devices.
- 3.2 Gen2 20Gbps Speed: Unlock the full potential of your data-transfers with USB 3.2 Gen2 technology, offering transfer speeds up to 20Gbps. Whether transferring large files, streaming high-definition content, or syncing your devices, this cable ensures swift and efficient data transmissions
- 100w Power Delivery (PD): A robust 100w Power Delivery capability ensures efficient charging for compatible devices. Power your laptops, tablets and other PD-enabled devices with confidence and speed.
- Braided Design: The cable features a premium braided design that enhances its durability and flexibility, making it ideal for everyday use and reducing the risk of damage.

Product Description

Experience high-speed data transfer and reliable power delivery with our USB-IF Certified 3.2 Gen2 20Gbps USB Cable. This premium cable has been engineered and designed to meet the demands of modern-day use, ensuring exceptional performance, durability and compatibility for your data and power needs..

This cable is compatible with a wide range of USB-C devices, including laptops, smartphones, tablets, external hard drives and more, ensuring seamless connectivity across various gadgets.

Our USB-IF Certified 3.2 Gen2 20Gbps (Braided) 100w PD Male - Male Cable represents the pinnacle of USB technology, combining lightning-fast data transfer speeds, reliable power delivery and a durable design. Upgrade your connectivity experience with this versatile and certified cable, giving you the performance and reliability you deserve.

Part Code	Description
40-4351	USB-IF Certified 3.2 Gen2 20Gbps (Braided) 100w PD 1m Male - Male Cable
40-4352	USB-IF Certified 3.2 Gen2 20Gbps (Braided) 100w PD 2m Male - Male Cable
40-4353	USB-IF Certified 3.2 Gen2 20Gbps (Braided) 100w PD 3m Male - Male Cable
