

FEATURES

- Cat5e UTP Patch Panel
- Eco Patch Panel
- 24 Port
- 1u Chassis
- Cable Management Rings at Rear
- Compatible with both Krone Style & 110 Punch Down Tool

DESCRIPTION

The Cat 5e UTP 1u 24 Port Patch Panel uses dual termination punch down block suitable for LSA or 110 tooling. 568B punch down blocks on the rear of the panel are at 180 degrees to the front. Cable management rings at the rear of the patch panel allows routing of the cables to aid airflow. Each port has a provision for individual labeling. Coloured markings on punch down blocks and rear labels for correct cable termination.
