

## FEATURES

- Cat6 Keystone Panel Mount Trough Coupler
- RJ45
- No Termination Required
- Quick and Easy to Install
- UTP
- Black

## DESCRIPTION

Our Keystone Panel Mount Through Couplers require no termination, just simply plug in your RJ45 cables onto both sides of the coupler. Keystone fitting allows installation in most Keystone panels or faceplate adaptors. Quick and easy to install. Cat6 performance. Easily extend cables without the need for punch down termination.
