

## FEATURES

- Flat Shutter for Keystone Jack
- Spring Loaded Shutter
- 25mm x 50mm
- Labelling Window
- Only Available in White

## DESCRIPTION

The 25mm x 50mm Flat Adaptors are part of the mounting hardware family. The shutters are available in 25mm x 50mm and LJ6C sizes and can be either flat or angled. All shutters come with a labelling window for easy outlet identification and a spring-loaded shutter to protect the jack socket from dust.
