

# **AV&SECURITY**

## **BNC Panels**

#### **FEATURES:**

- BNC 16 Way/32 Way/ 48 Way Loaded BNC panel
- 1u/2u/3u, Black

#### **DESCRIPTION:**

Our BNC recessed Patch Panels are designed for easy front panel access.

The recessed design allows bulky cables to be connected in a cabinet safely without the door interfering with the bend radius. Available as 16way, 32way and 48way.

Loaded and unloaded options are available.
