

#### FEATURES:

- BNC 16 Way/32 Way/ 48 Way Unloaded BNC panel
- 1u/2u/3u, Black

#### DESCRIPTION:

Our BNC recessed Patch Panels are designed for easy front panel access. The recessed design allows bulky cables to be connected in a cabinet safely without the door interfering with the bend radius. Available as 16way, 32way and 48way. Loaded and unloaded options are available.
