

FEATURES:

- SVGA Male – Female
- Individually Bagged
- Black Matt Cable
- Fully Moulded
- Available in 8 different lengths

DESCRIPTION:

Our range of SVGA extension cables are constructed using triple mini coaxial shielded cables, this allows them to be used in situations where a greater length lead is required. These male – female leads are ideal for extending your existing SVGA cables. Our DDC2 compliant cables are compatible with screens that require DDC. Fitted with ferrites (for electrical noise suppression)

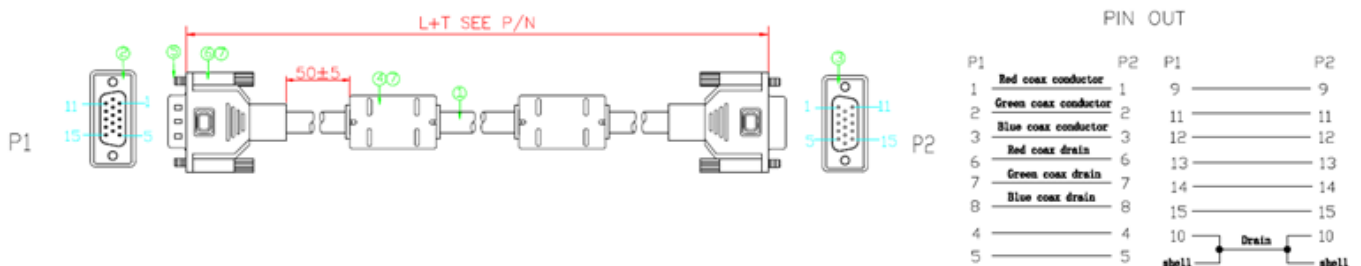

SPECIFICATIONS:

Connector – SVGA Male: Gold Plated Shell and Pin with Black Insulation

Connector – SVGA Female: Gold Plated Shell and Pin with Black Insulation

Jacket – Black Half Matt, OD:8.5mm
