

#### FEATURES:

- HDMI Extender
- Duplicates HDMI signal to two, four or eight displays

#### DESCRIPTION:

This 4K HDMI splitter sends a single HDMI output to 2,4,8 displays such as HDTV's or monitors. They can be cascaded to allow an even greater number of display screens. Simply connect the source to splitter and the splitter to the display screens without HDMI cables to enjoy a high-quality visual experience. Capable of up to 4K resolution and 3D support. Recommended cable distance is 5 metre from source to splitter and 15 metre from splitter to display.

#### SPECIFICATIONS:

Supports resolutions of 4K  
HDCP Compliant  
Can be Cascaded
