Privacy

Please note that by visiting our website, we may collect personal data from you. This depends on the choices you make. See below for details.

If you contact us by email, on LinkedIn or Twitter, or submit your name and email details in the form on our "Contact" webpage, we will use the information in our legitimate interests to deal with your correspondence. This may include sharing your details with other companies within the Cablenet Group or, where required, other professional parties we rely upon.

This website has been designed by Twilo Creative. Their privacy notice is [here](#). You may choose to consent to the cookies on this website. Any personal data collected through the use of the cookies you select are processed in our legitimate interests in order to improve the website and to ensure that appropriate security measures are in place to protect our website as well as our website visitors. Further cookie information is available [here](#).

Source of the personal data

The source of the personal data we process may come from you directly when engaging with our company or from your employer as a B2B point of contact.

Rights for Individuals

You have the right to request access to or rectification or erasure of your personal data, or restriction of processing about you, or to object to processing as well as the right to portability at any time.

You have the right to lodge a complaint with a supervisory authority - Information Commissioner
- www.ico.org.uk

Personal Information You Choose to Provide

When you register you may provide the following information;

- Name
- Email address
- Telephone numbers, mobile and landline
- Company Name
- IP Address may be captured

How do we process the information that you provide to us

All the personal data will be processed and stored by us on your behalf within the UK or on servers within the European Economic Area.

We will use the personal data we collect to ensure you receive prompt service and to improve your interaction with us.

The data is used to manage your specific needs in relation to the customers' personal and business requirements and other general enquiries.

How long do we Retain Personal Information

All personal information including email correspondence will be retained for a necessary period of 7 years as per our legal obligations or industry best practice.

Notification of Changes to our Privacy Statement

We will post details of any changes to our privacy statement on this website to help make sure you are kept up to date, and always aware of the information we collect, how we use it, and in what circumstances if any, we share it with other parties.

Further Information

If you require further information about the use of your data or wish to make a Rights request relating to your personal data processed by us, please contact gdpr@cablenet.co.uk.
